

THE MARSHALL MAFIA

INSTRUCTIONS

OBJECTIVE

IN THE MARSHALL MAFIA, **VILLAGERS** MUST IDENTIFY, EXPOSE AND VOTE OUT ALL **MAFIA** MEMBERS, WHILE THE **MAFIA'S** GOAL IS TO SECRETLY ELIMINATE ALL **VILLAGERS** UNTIL THEY OUTNUMBER THEM.

THE **MARSHALL** HOSTS THE GAME, MANAGING THE FLOW OF THE ROUNDS AND OVERSEEING THE DISTRIBUTION OF ROLES AND ACTIONS.

HOW TO PLAY?

(SEE PLAY CARD*)

APPOINT ONE PLAYER TO BE THE **MARSHALL**, THEN SHUFFLE THE CHARACTER CARDS CHOSEN BY THE GROUP AND DEAL ONE FACE DOWN TO EACH PLAYER (CHECK THE **ROLES CARD*** FOR THE CORRECT CARD COUNT BASED ON PLAYER NUMBER).

THESE CARDS DETERMINE IF A PLAYER IS A **VILLAGER**, **MAFIA**, OR HAS A SPECIAL ROLE (SEE **CHARACTER CARD*** FOR DETAILS ON EACH CHARACTER'S ABILITIES).

NOTE! - ALL PLAYERS MUST KEEP THEIR INDIVIDUAL CHARACTER CARDS* SECRET.

EACH GAME IS PLAYED IN ROUNDS WITH 3 CONSECUTIVE PHASES, (SLEEP > DISCUSSION > VOTE).

THESE ROUNDS REPEAT UNTIL THE GAME ENDS (SEE THE **RULES CARD*** FOR MORE DETAILED INSTRUCTIONS).

SLEEP PHASE - THE **MARSHALL** WAKES EACH ROLE GROUP IN TURN TO CARRY OUT THEIR ACTION (IN THIS ORDER: **KILL**, **GUESS**, **SAVE**, **WILD**).

DISCUSSION PHASE - PLAYERS DEBATE AMONGST THEMSELVES FOR A TIMED PERIOD.

VOTE PHASE - EACH PLAYER VOTES FOR WHO THEY WANT ELIMINATED AND THE PLAYER WITH THE MOST VOTES IS REMOVED FROM THE GAME.

USE THE (**MUSIC CARD***) AS AN ADDED BONUS, IT IS USED FOR THE GAME AMBIENCE (STOPPING PLAYERS VOTING ON PLAYERS THAT MAKE NOISE WHILE ASLEEP & PUTS THE GROUP IN THE MOOD TO CONTINUE PLAYING).

WHAT ARE THE ROLES?

(SEE ROLES CARD*)

AIM FOR HALF AS MANY ROLES AS PLAYERS, FOR IN-DEPTH DEFINITIONS ON EACH DIFFERENT ROLE AND WHAT THEY DO (SEE THE **CHARACTER CARD***).

6 PLAYERS OR LESS - NOT RECOMMENDED.

7 PLAYERS - **1 MARSHALL**, **3 VILLAGERS**,

3 ROLES (**1 KILL**, **1 GUESS**, **1 SAVE**)

9 PLAYERS - **1 MARSHALL**, **4 VILLAGERS**,

4 ROLES (**1 KILL**, **1 GUESS**, **1 SAVE**, **1 WILD**)

11 PLAYERS - **1 MARSHALL**, **5 VILLAGERS**,

5 ROLES (**2 KILL**, **1 GUESS**, **1 SAVE**, **1 WILD**)

13 PLAYERS - **1 MARSHALL**, **6 VILLAGERS**,

6 ROLES (**2 KILL**, **1 GUESS**, **2 SAVE**, **1 WILD**)

15 PLAYERS - **1 MARSHALL**, **7 VILLAGERS**,

7 ROLES (**3 KILL**, **1 GUESS**, **2 SAVE**, **1 WILD**)

17 PLAYERS - **1 MARSHALL**, **8 VILLAGERS**,

8 ROLES (**3 KILL**, **2 GUESS**, **2 SAVE**, **1 WILD**)

NOTE! - THIS IS A SUGGESTED SELECTION FOR THE AMOUNTS OF PLAYERS AND THEIR MATCHING ROLE SPLITS, FREELY EXPERIMENT WITH YOUR OWN NUMBERS, HOWEVER WE HAVE PLAY-TESTED THOROUGHLY AND FOUND THESE WORK BEST, BUT IF YOU REALLY WANT TO... YOU CAN EVEN TAKE OUT CERTAIN ROLES (EXCEPT **VILLAGER** & **MAFIA** ROLES ;).

MAKE SURE YOU READ THE **GAMEMODE CARD*** FOR 3 WAYS TO PLAY ACTIONS IN THE SLEEP PHASE.

THERE ARE GAMEMODES?

(SEE GAMEMODE CARD*)

THERE ARE THREE DIFFERENT GAME-MODES THAT CAN BE PLAYED!

CLASSIC MODE:

- PLAYERS WITH THE SAME ROLE - SILENTLY POINT AND AGREE ON A SINGLE TARGET TOGETHER (EG. 2 MAFIA'S > 1 KILL)

GROUP MODE:

- PLAYERS WITH THE SAME ROLE - SILENTLY POINT AND AGREE ON TARGET'S TOGETHER - TO THE AMOUNT OF THEIR ROLE (EG. 2 MAFIA'S > 2 KILLS)

CHAOS MODE:

- EACH PLAYER ACTION ROLE - SILENTLY PICKS THEIR OWN INDIVIDUAL TARGET SEPARATELY (EG. 1ST MAFIA > 1 KILL / 2ND MAFIA > 1 KILL)

NOTE! - THESE CHANGES ONLY ALTER THE ROLE ACTIONS IN THE SLEEP PHASE, AND DON'T AFFECT ANYTHING ELSE.

WHAT ARE THE RULES?

(SEE RULES CARD*)

BEFORE THE GAME STARTS, PLAYERS SHOULD DECIDE WHICH **RULE CARDS*** ARE GOING TO BE PLAYED, THE STANDARD RULESET ARE THE FOLLOWING RULES **#1**, **#2**, **#3**,

- PLAYERS MUST CLOSE THEIR EYES & REMAIN SILENT DURING THE SLEEP PHASE.
- DURING THE SLEEP PHASE THE **MARSHALL** ROLE MUST NOT SPEAK DIRECTLY TOWARDS EACH AWOKEN PLAYER, OTHERWISE ALL PLAYERS KNOW WHICH ROLE A PLAYER HAS.
- AWOKEN PLAYERS SILENTLY POINT & CONFIRM DECISIONS WITH THE **MARSHALL**, BY HAND SIGNALS OR MOUTHING THEIR CHOICE TO THE **MARSHALL** OVERSEEING THE GAME.
- TIMED DISCUSSION PERIOD IS RECOMMENDED TO BE 3 MINUTES, TO KEEP THE ROUNDS SHORT AND ALLOW THE PLAYERS TO BE MORE DECISIVE AND IMPULSIVE.
- CLOCK-WISE VOTING MUST REVERSE EACH ROUND, WITH EACH PLAYER RAISING A FINGER FOR EVERY VOTE THEY RECEIVE FROM OTHER PLAYERS. THIS AVOIDS THE SAME PLAYERS VOTING LAST, STOPPING THEM HAVING AN ADVANTAGE.
- RESPECT THE GAME, WHEN YOU ARE DEAD YOU ARE DEAD... YOU CAN ONLY OBSERVE REMAINING ROUNDS, PICK A **DEATH CARD*** FROM THE PACK, HOLD IT UP TO SHOW OTHER PLAYERS YOU ARE ELIMINATED FROM THE GAME.
- THE **MARSHALL** ROLE SHOULD CHANGE EACH GAME, SO ALL PLAYERS HAVE A CHANCE AT PLAYING.

SCAN THE **MUSIC CARD*** TO MAKE THE GAME MORE ENJOYABLE FOR THE GROUP (HELPS THE RESTLESS "SLEEPING" OF PLAYERS IN THE NIGHT).

EVEN MORE RULES...

(SEE EACH RULE CARD*)

NOTE! - THE CHOICE OF RULES ALLOWS FOR PLAYERS WHO HAVE PLAYED BY DIFFERENT RULES TO AGREE ON HOW THE GAME WILL BE PLAYED.

1# - PLAYERS CANNOT REVEAL THEIR OWN ROLE TO OTHER PLAYERS, YOU CAN PRETEND TO BE OTHER ROLES BUT DON'T GET CAUGHT OUT!

2# - IF A NON-AWOKEN PLAYER SLEEP-TALKS, SLEEP-WALKS OR SLEEP-ANYTHING, REPEATEDLY IN THE SLEEP PHASE, THE PLAYER IS ELIMINATED FROM THE GAME.

3# - ANY PLAYER VOTED OUT MUST REVEAL THEIR CARD TO THE REST OF THE GROUP, THIS CAN BE AS THEATRICAL AS YOU WANT!

4# - IF A PLAYER IS KILLED, THEY MUST REVEAL THEIR CARD TO THE REST OF THE VILLAGE.

5# - ROLES THAT DO SAVE ACTIONS, CANNOT SAVE THEMSELVES OR ANY OTHER SAVE ROLES.

6# - WHEN A VOTE IS TIED WITH MULTIPLE PLAYERS ON THE SAME AMOUNT OF VOTES, THE PLAYERS PLAY ROCK, PAPER, SCISSORS FOR A BEST-OF 1 OR 3.

7# - IF A PLAYER MAJORITY SKIPS VOTE (MORE THAN HALF OF ALL PLAYERS), THE GAME CONTINUES INTO ANOTHER SLEEP PHASE AND NO PLAYER IS KICKED OUT.

8# - SAVE ROLES CAN ONLY SAVE THE SAME PLAYER ONCE (UNTIL ALL PLAYERS HAVE BEEN SAVED ONCE), THEN THEY CAN SAVE THAT PLAYER AGAIN (THIS CYCLES UNTIL A NEW GAME IS STARTED).

ARE THERE CHARACTERS?

(SEE EACH ROLE CARD*)

EACH ROLE DESCRIPTION BELOW REVEALS THE CHARACTERS OBJECTIVE:

- **MARSHALL (1)** - THE GAMES HOST AND ALL-SEEING NARRATOR, SWITCH UP THIS APPOINTED PLAYER (EACH GAME).

PLAYERS WITH ROLES WAKE UP DURING THE (SLEEP PHASE) AND OPEN THEIR EYES - IN THE ORDER CALLED BY **MARSHALL** (DETAILED ON THE **PLAY CARD***), THE PLAYER THEN DOES THEIR ROLE ACTION BEFORE CLOSING THEIR EYES AGAIN.

- **ANGEL (3)** - PICK PLAYER TO SAVE (EACH ROUND).
- **DETECTIVE (3)** - PICK PLAYER TO GUESS IF THEY ARE A **MAFIA**, **MARSHALL** INDICATES YES/NO (EACH ROUND).
- **JESTER (1)** - GET VOTED OUT TO WIN THE GAME.
- **MAFIA (3)** - KILL & VOTE OUT ALL OTHER PLAYERS TO WIN, PICK PLAYER TO KILL (EACH ROUND).
- **VILLAGER (11)** - VOTE OUT ALL THE **MAFIA** TO WIN.

THE TWO OPPOSING TRIBES BATTLE FOR CONTROL. THE **MAFIA** TRIBE, MADE UP OF **MAFIA** MEMBERS, SECRETLY FIGHT AGAINST THE **VILLAGER** MEMBERS OF **ANGELS**, **DETECTIVES** AND **VILLAGERS**, WHILE THE SNEAKY TRIBELESS **JESTER** AIMS FOR A SOLO VICTORY.

WHAT ARE THE PHASES?

1, 2 & 3

EACH ROUND CONSISTS OF THREE CONSECUTIVE PHASES.

1. SLEEP → 2. DISCUSSION → 3. VOTE

STANDARD GAME MODE - EACH TYPE OF ROLE (**KILL**, **GUESS**, **SAVE**, **WILD**) MUST DECIDE ONE PLAYER TO DO THEIR ACTION ON.

NOTE! - IF THE GAMES FINISH TOO QUICKLY OR TOO MANY PLAYERS ARE GETTING ELIMINATED EACH NIGHT, SWITCH UP THE PLAYSTYLE OF THE SLEEP PHASE SEE (**GAMEMODE CARD***).

PHASE 1

SLEEP

THIS IS THE SECRETIVE ACTION PHASE. ALL PLAYERS CLOSE THEIR EYES, AND THE **MARSHALL** CALLS SPECIFIC CHARACTER ROLES TO PERFORM THEIR ACTIONS IN A SET ORDER:

- **KILL** - THE **MAFIA** CHOOSE A PLAYER TO ELIMINATE.
- **GUESS** - THE **DETECTIVE** (OR SIMILAR ROLES) ATTEMPT TO DISCOVER ANOTHER PLAYER'S IDENTITY.
- **SAVE** - THE **ANGEL** (OR SIMILAR ROLES) CAN PROTECT ONE PLAYER FROM ELIMINATION.
- **WILD** - ANY OTHER SPECIAL ROLES PERFORM THEIR ACTIONS (DEPENDING ON GAME CUSTOMISATION).

AFTER ALL ACTIONS ARE COMPLETED, THE **MARSHALL** ANNOUNCES THE RESULT OF THE NIGHT'S ACTIVITIES (WHO HAS BEEN ELIMINATED, IF ANYONE WAS SAVED... WITHOUT NAMING THE PLAYER OF COURSE, ETC.).

PHASE 2

DISCUSSION

ALL PLAYERS OPEN THEIR EYES AND BEGIN ARGUING, ACCUSING, OR DEFENDING THEMSELVES BASED ON WHAT THEY BELIEVE HAS HAPPENED DURING THE SLEEP PHASE.

THE **MARSHALL** SHOULD SET A TIMER (RECOMMENDED 3 MINUTES) FOR THIS PHASE, THEY CAN ALSO STOP THE DISCUSSIONS AT A NATURAL MOMENT TO KEEP THE PHASE CONCISE AND INTENSE.

PLAYERS ARE FREE TO SPECULATE, BUT PLAYERS MUST NOT REVEAL THEIR CARD (IF A PLAYER IS CAUGHT SHOWING THEIR CARD TO ANOTHER PLAYER, THEY ARE INSTANTLY ELIMINATED).

PHASE 3

VOTE

AFTER THE DISCUSSION, PLAYERS PROCEED STRAIGHT TO THE VOTING.

EACH **VILLAGER** ROLE VOTES TO ELIMINATE SOMEONE THEY SUSPECT IS **MAFIA**, WHILE THE **MAFIA** AIM TO DECEIVE **VILLAGERS** INTO VOTING OUT THEIR OWN.

EACH PLAYER IS ALLOWED TO MAKE A SINGLE VOTE (YES, YOU CAN VOTE FOR YOURSELF), ON ANYONE THEY CHOOSE. WHEN A PLAYER CASTS A VOTE FOR ANOTHER PLAYER - THE PLAYER WHO HAS BEEN VOTED FOR MUST HOLD UP A FINGER FOR EACH VOTE RECEIVED.

IF THE VOTE TIES, A RE-VOTE OCCURS BETWEEN THE TIED PLAYERS (DEPENDING ON CHOSEN **RULE CARDS***).

THE PLAYER WITH THE MOST VOTES IS IMMEDIATELY ELIMINATED FROM THE GAME, AND THEIR CHARACTER IS REVEALED (ALSO DEPENDING ON CHOSEN **RULE CARDS***).

HOW MANY ROUNDS?

REPEAT

THE GAME CONTINUES THROUGH THE SLEEP, DISCUSSION, AND VOTE PHASES UNTIL ONE OF THE FOLLOWING CONDITIONS IS ACHIEVED:

A. **VILLAGERS** WIN BY SUCCESSFULLY VOTING OUT ALL **MAFIA** MEMBERS.

B. **MAFIA** WINS BY ELIMINATING ENOUGH **VILLAGERS** TO OUTNUMBER THEM.

C. **WILD** ROLE WINS BY FULFILLING THE UNIQUE CONDITIONS TIED TO THEIR ABILITIES.
